

Ye Olde Delph Bowmen Field Archery Club

Shoot Report and Full Results from our October 7th 2018 shoot.

For our last open shoot of 2018, we had 92 archers in attendance. The weather held out for everyone, even warming up as the day progressed. Our Course setters did a great job in confusing and challenging most archers with their laying of the course which consisted of 36 mixed faces and 3D's, which, from all feedback received went down well with everyone, Catering was a hit as usual with the offer of a varied menu along with the much-needed cake.

Everyone from Ye Olde Delph would like to thank all attending archers for joining us, and I personally would like to thank all members of the club who gave their time in the organising, setting up, and the running / marshalling of the shoot and catering, for their fantastic work in keeping everyone fed. We look forward to welcoming you all back in to our wonderful woods throughout 2019 for our next season of open shoots.
